SUMMARY SHEET

Letter from Bernard Collorafi to McDonald's (Aix-en-Provence) · 1 September 1997

Overview: letter sent by Bernard Collorafi (GIE SODEVA, in Antibes) to Isabelle Kuster, of McDonald's France (Acti Mart, rue Ampère, BP 309, Aix-en-Provence), concerning the companies SA SEBOL and SARL Beto.

Key points

Bernard Collorafi reports the turnover achieved as at 31 August 1997 for the two restaurants concerned (route de Grasse). He recalls the financial projections drawn up before they opened, namely 19 and 20 million francs, and highlights the amount still to be achieved by the end of the year, over the remaining four months, for SEBOL and for Beto. He thanks his correspondent in advance for any help she can give him and remains at her disposal for any further information. The detailed figures for the results given in the letter are partly illegible in the scan.

Significance

This letter continues the 1997 exchanges between the franchisee and McDonald's on the monitoring of commercial targets. It shows, a few months before the termination of the agreements, the gap between the forecasts announced at opening and the results observed during the financial year.
