SUMMARY SHEET

Letter to the mayors of France · 23 March 2000

Overview: Letter addressed “to all the Mayors of France” (34,000 mayors, via the Association des maires de France): in it Mr Collorafi repeats his approach of circulating the judgment of 8 March 2000.

Key points

Repeating the terms of his letter to the Members of the European Parliament, Mr Collorafi writes to the mayors of France to enclose the judgment of 8 March 2000 and to denounce abuses of a dominant position and of economic dependence, as well as the abrupt termination of contractual relationships that leads business owners to ruin. He calls for these practices “to cease once and for all”.

Significance

The local strand of Mr Collorafi’s awareness campaign, targeting municipal elected representatives beyond members of parliament.
