SUMMARY SHEET

Letter to MPs on the loi NRE bill · 21 March 2000

Overview: Letter addressed to MPs, on the eve of the examination of the bill on new economic regulations, to which Mr Collorafi attaches the judgment of 8 March 2000.

Key points

Recalling that the Council of Ministers adopted on 15 March a bill establishing new economic regulations in the field of competition, Mr Collorafi writes to the MPs “soon to be called upon to vote”. He encloses the judgment of the Paris Court of Appeal of 8 March 2000, presented as an edifying illustration of the situation of businesses that are victims of abuse of a dominant position and economic dependence, and refers to the website setting out the complete proceedings.

Significance

A citizen's contribution to the parliamentary debate on the loi NRE: Mr Collorafi adds his case to the file on the regulation of commercial relations, then under discussion.
