SUMMARY SHEET

Statement of claims — SA SEBOL · 1 February 2002

Overview: summary statement of the claims against SA SEBOL (Chemin de Saint-Claude, Antibes), drawn up in insolvency proceedings, stated as falling under article L.621-103 of the Commercial Code and as at 15 October 2001, the amounts being expressed in euros.

Key points

The document lists the claims lodged in the proceedings opened against SEBOL, divided into preferential, unsecured and provisional claims. The creditors include in particular the Treasury, ORGANIC (recouvrement), the Mornay group, the URSSAF and McDonald's France. The total lodged amounts to 422,994.94 euros. The document is attached to a file handled by a supervising judge (Mr Renaudi). The figures, degraded by the digitisation, do not allow the breakdown by creditor to be reproduced with certainty.

Significance

A document from the final phase of the dispute: it attests to SEBOL's situation in insolvency proceedings and to the presence of McDonald's among its creditors, in the context of the dismissal of the appeal to the Court of Cassation.
